

OZAN B. GURESCIER

Brooklyn, NY | (347) 882-3848 | ozangurescier@nyu.edu | [linkedin.com/in/ozangurescier](https://www.linkedin.com/in/ozangurescier)

EDUCATION

New York University Tandon School of Engineering

Expected graduation date: May 2027

Bachelor of Science, Mechanical Engineering

GPA: 3.801

NYU Tandon School of Engineering 2023–2024, 2024-2025 & 2025-2026 Dean's List

Eyüboğlu Highschool, Istanbul, Turkey

International Baccalaureate Courses: 37/45

EXPERIENCE

Mechanical Engineering Intern | Polaris Elektronik, Istanbul, Turkey

March 2022

- Coordinated robotics project manufacturing process
- Devised manufacturable CAD designs

Mechanical Engineering Intern | UAVERA Havacılık Sistemleri A.Ş., Ankara, Turkey

July 2022

- Observed prototyping and design processes of an UAV
- Carbon fiber manufacturing

Mechanical Engineering Intern | Toyotetsu, Kocaeli, Turkey

June 2025 – July 2025

- Welding line process design
- Manufacturing line balancing

Mechanical Engineering Intern | Ford Otosan, Kocaeli, Turkey

June 2026 – July 2026

- Building Management Systems
- Factory infrastructure planning

PROJECTS

FRC Wildfire Robotics Team | Team Member, Team Lead & Mentor,

Sept. 2019 – Present

- Mechanical system design using Autodesk Fusion 360
- Systems engineering and scheduling for the team during FIRST Robotics Competition

IB Extended Essay Project

March 2023

- Analysis of the effect of angle of attack and wing length on downforce generated by an inverted airfoil

NYU Robotics Design Team | Design lead

Sept. 2023 – Present

- Production of a robot to compete in the NASA Lunabotics Challenge
- Designed the chassis and subsystem integration using OnShape and SolidWorks

EG-UY 1004 Semester Long Design Project | Design Lead

Jan. 2024 – May 2024

- Design and prototyping using Arduino, gyroscope sensor and C++ language
- Device that measures the posture and sends reminders for healthier lifestyle

NYU Motorsports | Baha SAE Brakes Team Member

Jan. 2026 – Present

- Brake design, manufacturing & testing

SKILLS

Autodesk Fusion 360, SolidWorks, OnShape, AutoCAD, Python, 3D Printing, Laser Cutting, MATLAB
